PITLANE OLDTIMERS

As vintage cars of all styles and colours make their way to the starting line, the Oldtimers' pitlane becomes a feast for the eyes. And the DP4C crew is always close at hand to offer assistance, help affix number stickers and provide last-minute instructions.

PITLANE DEFENDERS

All prepped and ready to roll, Defenders old and new are on the way to meet the tests that lie ahead of them.

DP4C STARTS WITH A BREAKFAST

A variety of delicious food awaits our drivers in the morning before taking the roads. There is time to eat, drink a coffee, have a chat, and off we go.
